Swatch	Winsor & Newton	Daniel Smith Alternative	Substitution info
	Burnt Sienna	Quinacridone Burnt Orange	Could substitute with another dark brown
	Winsor Lemon		Any bright yellow will work in this tutorial
	Opera Rose		
	Payne's Grey		Could substitute with a black for this tutorial
	Quinacridone Violet (PV55)		You could mix a little Paynes Grey with Perm Carmine to Substitute
	Permanant Sap Green		Use any earthy green, or mix a little brown like Burnt Sienna with a brighter green
	Scarlet Lake		Avoid substituting with Cadmium red, it isn't transparent so won't layer well
	Permanant Carmine		Permanent Alizarin Crimson is a good substitute.
